ABOUT THE STUDIO

A portal to the world, in the heart of downtown Columbia.

With digital fiber connectivity, Studio-on-Main plugs you into a telecommunications network that spans oceans, time zones and continents. Now you can transmit messages virtually anywhere in the world, from a versatile, on-call facility, just blocks away from the State Capital and the University of South Carolina.

Studio-On-Main provides transmission and production support for:

- ▶ High Definition Digital Fiber connectivity through *Encompass*
- ▶ 'Insert' studio for live shot production
- ▶ Tape roll location for machine playback
- ▶ Corporate teleconferencing
- ▶ Dedicated digital fiber switch / loop to local affiliates

RATES

BROADCAST

The studio broadcast rate is \$650 per hour, with a one-hour minimum. Rates are billed in half-hour increments after the first hour. This rate includes the services of a Technical Director/Engineer and a Camera Operator.

NON-BROADCAST

Please call booking line 803-309-0694 for customized pricing on non-broadcast uses of the studio, including tape playback, corporate teleconferencing and establishing a digital fiber switch or loop to local affiliates.

Fiber and satellite transmission time must be booked separately through Encompass at 1-800-243-1995.
